

Agreement to Publish in a Publication of IOS Press

Title of the book: "Soft Computing Systems - Design, Management and Applications"

Title of the paper:

Author(s) with full names:

In publishing your article we do so with the understanding that you, the Author(s), give us the permission to do so.

The following points apply:

1. Copyright remains yours, and the Publisher will acknowledge this in the copyright line that appears on your article. You retain the right to revise, adapt, prepare derivative works, and present orally, your own article, provided you acknowledge the published original article in standard bibliographic citation form. You may also distribute or transmit the PDF version of your article, supplied to you by the Publisher at a nominal fee, or printed versions thereof.
2. The Publisher will respect your rights as the Author(s). That is, the Publisher will make sure that your name(s) is/are always clearly associated with the article. Should the Publisher elect to make editorial changes, no substantial alterations will be made without consultation with the Author(s).
3. By agreeing to the contents of this form, you (the Author(s) or other copyright owner) agree to grant us (the publisher) the world-wide right to both reproduce and/or distribute your article (including the abstract) ourselves throughout the world in electronic, printed or any other medium, and in turn to authorize others (including Reproduction Rights Organizations such as the Copyright Licensing Agency and the Copyright Clearance Center, and other document distributors) to do the same. You agree that we may publish your article, and that we may sell or distribute it, on its own, or with other related material.
4. You, the Author(s) certify that the article is your original work, has not previously been published, and is not currently under consideration by another journal. You also promise that the article does not, to the best of your knowledge, contain anything that is libellous, illegal or infringes anyone's copyright or other rights. If the article contains material that is someone else's copyright, you promise that you have obtained the permission of the copyright owner to use the material and that the material is clearly identified and acknowledged in the text.
5. Where an article is prepared as a "work for hire" for an employer, the employer(s) of the Author(s) retain(s) the right to revise, adapt, prepare derivative works, publish, reprint, reproduce and distribute the work in print format, and to transmit it on an internal, secure network for use by its employees only, and additional rights outlined above, provided that such use is for the promotion of its business enterprise and does not imply endorsement by IOS Press BV.
