Contact us if you have a problem or wish to withdraw a submission: [stessa2012@ing.uchile.cl](mailto:stessa2012@ing.uchile.cl)

Powered by **Oxford Abstracts**  
Abstract & paper management  
for your conference  
<http://www.oxfordabstracts.com>

Select the abstract for which you are submitting a full paper. (Note that if you have multiple papers, each one will have a listing, and will require that you enter the information separately).

Behaviour of Steel Structures in Seismic Areas 2012

**PAPER SUBMISSION**  
**Deadline: June 30, 2011**

To enter the final version of an accepted paper select it from the list below.

<b>0094</b>	<b><a href="#">Seismic performance of steel struct...</a></b>	Accepted	<a href="#">Summary</a>
<b>0095</b>	<b><a href="#">Cyclic behavior of welded T shapes ...</a></b>	Accepted	<a href="#">Summary</a>

Contact us if you have a problem or wish to withdraw a submission: [stessa2012@ing.uchile.cl](mailto:stessa2012@ing.uchile.cl)

Powered by **Oxford Abstracts**  
Abstract & paper management  
for your conference  
<http://www.oxfordabstracts.com>

The abstract you selected will highlight in red, you now must go through each step of the submission form, making changes where necessary and Click OK when the system asks you if you want to amend your submission. (You are amending the submission of your abstract with a submission of the full paper).

The screenshot shows a web interface for managing abstracts. At the top, two entries are listed:

0094	<b>Seismic performance of steel struct...</b>	Accepted	<a href="#">Summary</a>
0095	<b>Cyclic behavior of welded T shapes ...</b>	Accepted	<a href="#">Summary</a>

Below the list, there is contact information: "Contact us if you have a problem or wish to withdraw a submission: [stessa2012@ing.uchile.cl](mailto:stessa2012@ing.uchile.cl)".

The page is powered by Oxford Abstracts, with a link to <http://www.oxfordabstracts.com>.

A modal dialog box titled "Mensaje de página web" is overlaid on the page. It contains a warning icon and the text: "Amending your submission ----- Please go through each step on the submission form, making changes where necessary". There is an "Aceptar" button at the bottom of the dialog.

At this point you will enter the Paper Submission portion of the site. Here you have the opportunity to change the title of your submission.

- Click to download Full Paper Template if you need the Microsoft Word Template.
- Click to download Consent to Publish fill out this and return the form when you submit your paper.
- Click the Browse button to upload your Full Paper
- Click to upload Full Paper for Review

The screenshot shows the "PAPER SUBMISSION" form. The title is "Seismic performance of steel structures designed according to chilean codes".

Below the title, there is a section titled "Please download and use the following documents" with links to the paper template and consent to publish forms.

The main form area is titled "Enter the FULL TITLE of your submission. This will be used for printing in the final program". It contains a text input field with the text "Seismic performance of steel structures designed according to chilean codes".

Below the input field, there is a section titled "Please attach your paper - use the 'Browse' button to find it on your PC (required)". It contains a file selection button labeled "Examinar...".

At the bottom of the form, there is a "Step 1 of 2" indicator and three buttons: "Back", "Cancel", and "Next".

At the very bottom, there is contact information: "Contact us if you have a problem or wish to withdraw a submission: [stessa2012@ing.uchile.cl](mailto:stessa2012@ing.uchile.cl)".

Review Affiliations and Authors information to be sure information is accurate and Click Finish.

### PAPER SUBMISSION

Title: Seismic performance of steel structures designed according to chilean codes

#### Affiliations
